SPRING COLDS  
ARE DANGEROUS

Sudden changes of tempera-  
ture and underwear bring spring  
colds with stuffed up head, sore  
throat and general cold symp-  
toms. A dose of Dr. King's New  
Discovery is sure relief, this hap-  
py combination of antiseptic  
balsams clears the head, soothes  
the irritated membranes and  
what might have been a linger-  
ing cold is broken up. Don't  
stop treatment when relief is  
first felt as a half cured cold is  
dangerous. Take Dr. King's  
New Discovery till your cold is  
gone.

WORMS MAKE  
CHILDREN FRETFUL

Children suffering from worms  
are dull and irritable, puny and  
weak, often grind their teeth and  
cry out in sleep, being a con-  
stant source of worry to their  
parents. Kickapoo Worm Killer  
is a mild laxative remedy in can-  
dy tablet form that children like  
to take. Promptly effective, it  
kills and removes the worm from  
the system. Irregular appetite  
and bowel movement, lack of in-  
terest in play are sure signs of  
worms. Relieve your child of  
this burden. At all druggists,

about a teaspoon, in place of each egg omitted.

The readers of this paper will be  
pleased to learn that there is at least  
one dreaded disease that science has  
been able to cure in all its stages and  
that is catarrh. Catarrh being greatly  
influenced by constitutional conditions  
requires constitutional treatment. Hall's  
Catarrh Medicine is taken internally and  
acts thru the Blood on the Mucous Sur-  
faces of the System thereby destroying  
the foundation of the disease, giving the  
patient strength by building up the con-  
stitution and assisting nature in doing its  
work. The proprietors have so much  
faith in the curative powers of Hall's  
Catarrh Medicine that they offer One  
Hundred Dollars for any case that it fails  
to cure. Send for list of testimonials.
